VOLUME WHO KNOWS?

SPRING/SUMMER
2015

Summer Reading

As this is being written the snow is melting and it is windy and rainy. It's a bit hard to imagine that Summer is right around the corner. With that season comes some great programs at the library. Our very popular summer reading program is once again being planned. The theme for this year is *Every Hero Has a Story*. Isn't that so true? We have so many people in our community that are heroes. I wonder what their stories are?

Join us this summer as we experience heroes in many different ways. All 5 Wednesdays in July we

MakerSpace Demo Nights

The MakerSpace has had a steady stream of users since the opening in October.

In an effort to encourage people to try new things we have added a Demo Night to the line up each month. Every third Tuesday from 6:30—7:30 pm is a chance to come and learn a new activity with a teacher. We have enjoyed learning how to make jewelry,

will have programs for preschool through 5th grade in the library @ 10:30. Be prepared for Moreland the Magician, Super Hero Training Academy, Comic Con and more.

COMIC CON

Join us for our first ever comic con on Wednesday, July 22nd. We will have 3 different age groups that will meet this day. The preschool through 2nd grade group will meet from 10:30 am until 11:30 am. Please plan to come in your favorite super hero costume. Be prepared for games, crafts, and a snack.

The next group to meet will be the 3rd through 5th grade students from 12:30 pm—2:30 pm. Please

decorate a cake, learning how to knit and learning how to fold origami. Each time we have had a great turn out, learned a great deal and had fun together. These programs are open to all ages children through adults. The teachers have been great about making it individualized as needed and making it a positive experience. We encourage you to come out to our

come dressed as your favorite super hero. The first hour will be contests, crafts, a and a round of Jeopardy Heroes! The second hour we will have author Michelle Knudsen here to offer a writing workshop.

Our last group to meet will be the 6th—12th grade students from 3 pm—5 pm. Come representing your favorite super hero. The first hour will be a round of Jeopardy Heroes and the second hour will be a writing workshop with author Michelle Knudsen.

*All grades are the grade you just completed in June.

next MakerSpace Demo Night on Tuesday, May 19th at 6:30 pm, we will be talking about beginning gardening.

If you have any skills you would like to share with us during a future MakerSpace come into the library and talk to Priscilla.
